“An Afternoon of Celebration and Appreciation” Maple S.T.E.A.M.

Submitted by – 21st CCLC Coordinator Terrell Sample

S.T.E.A.M. students at **Maple Elementary School** took the time to celebrate and appreciate the accomplishments and sacrifices made by our **armed forces** as they welcomed **U.S. Navy Veteran Mr. Michael Nordstrom** as their special guest in honor of **Veterans Day**. Mr. Nordstrom graciously **shared his experiences** with the students and allowed them time for questions. His presentation was enhanced with a lesson on proper **flag etiquette** as he presented each student and S.T.E.A.M. staff member with **flags and pamphlets** to share the information they acquired with family and friends.

Special thanks to **Mrs. Tiffany Blisard** for being instrumental in bringing this experience to our **STEAMERS** and to **Ms. Nancy Hebb** for her creativity as students presented **cards and mini posters** to him expressing their **many thanks** for his service and appreciation for all Veterans.
