“A Lesson in Etiquette and Formal Manners”

Submitted by – 21st CCLC Coordinator Terrell Sample

Maple S.T.E.A.M. students are bursting at the seam with their practice of several types of **etiquette** and putting together what it all means. **S.T.E.A.M. partner, Mrs. Ummu Thomas, of Freddie Bell Jones, Inc.,** provided an engaging lesson in **formal table etiquette** to complement their expertise acquired from their lesson in flag etiquette also presented on **Thursday** during their pre-Veterans Day celebration.

Once students learned the fundamentals of formal manners and table settings, they were challenged to reset the table and share their knowledge with their peers. Students up for the challenge included **Grant Searcey, Carshaav Baines Robertson, Zaira Gomez and Jackson Stanley.**
